

Clearwater Paper Corporation is committed to the principles of the **Sustainable Forestry Initiative® (SFI®) 2015-2019 Standard**, and supports the program's intent of responsible forest management.

Clearwater Paper Corporation encourages all suppliers to use certified logging contractors and qualified resource professionals when managing their timberlands. Clearwater Paper Corporation encourages all suppliers to follow their state's Best Management Practices, reforestation planning, protect endangered species and their habitats, maintain the visual quality of the timberlands, and to control the spread of invasive species.

Clearwater Paper Corporation would like to provide some valuable information and access to resources we feel are important to make informed land management decisions. Please review the links below for assistance on implementing sustainable forestry practices and information.
